PRODUCT DESCRIPTION

This filtering half mask is manufactured for COVID-19 protection only. As requested by the World Health Organization recommendations, for this specific use, the nominal protection factor given by this filtering half mask is the same as the FFP2 nominal protection factor defined in EN 149:2001+A1:2009.

ASSESSMENT OF CONFORMITY

The filtration efficiency complies to RFU 02.075, version 2.

DECLARATION OF CONFORMITY

The manufacturer declares under his sole responsibility that the aforementioned product is under the conditions of a normal way of use and under the conditions determined by the manufacturer safe and conforms to all necessary legal requirements. The respiratory protection product is intended for a single use and must be used only according to the manufacturer's instruction manual.

- Recommendation for use PPE-R/02.075 version 2
- Certifikat modul B number: 0200-PPE-08903, module C2 for production control
- The examined sample of personal protective equipment is found to fulfill the relevant requirements of the applied test scheme(s) and to be in compliance with the applicable essential health and safety requirements of Regulation (EU) 2016/425.

MEASURES AIMED TO ENSURE CONFORMITY

The manufacturer declares that he has taken all necessary measures to ensure the conformity of the products being marketed with the technical documentation and basic requirements for this type of product. The Certificate of Free Sale was issued by the competent notified body of the EU (FORCE A / S certificate, number of the EU type-examination certificate: 0200-PPE-08903 version 4, the certificate ID: 10073).
